Attn: Office Engineer  
Subject: Caltrans 08-1F44U4 - Withdraw/Relief of Bid

To whom it may concern,

YAKAR is requesting relief from the submitted bid for the above listed project on Thursday October 25, 2018 at 2pm. We have reviewed our bid and found that we have made an inadvertent clerical error in our bid, which made our bid materially different than we had intended. The mistake was made in typing out the bid and not due to an error in judgement, carelessness of inspecting the site of work, or in reading the plans and specifications. The error occurred in typing the unit price for bid item 27 and mistakenly input the wrong unit price by typing a 2 instead of a 5.

The incorrectly entered unit price of \$2,500/ea should have been typed as \$5,500/ea unit price. This clerical mistake resulted in the bid being materially different than what it was intended to be. Please accept this letter as our formal request to withdraw our bid from consideration. If you have any questions, please feel free to contact me.

Sincerely,

  
Makana Amer  
President
